

CRISIS LOOMS FOR POLAND

VOTE ASSURED
ON FIVE LAWS
NEXT NOVEMBER

Sufficient Petitions Filed With
Secretary of State to Assure
This

TIME LIMIT IS ABOUT UP

Bulk of Petitions in, and Total
Number May Reach Seven-
teen or Eighteen Thousand

People of North Dakota will vote on Nov. 3 on five proposed laws. This was assured today when petitions containing several thousand names in excess of the 10,000 required to initiate a measure were in the hands of the secretary of state. Two employees began counting the petitions yesterday afternoon.

The proposed laws are: (1)—Providing regular examination for the Bank of North Dakota; (2)—Giving counties, cities, villages, townships and school boards right to handle their own money through their own banks if they wish, instead of the compulsory law requiring deposits in the Bank of North Dakota; (3)—Prohibiting the Bank of North Dakota from loaning money other than to actual resident farmers of state; (4)—Permitting publication of private legal notices in local rather than official county newspapers; (5)—Placing all strictly educational matters under the direct supervision of the superintendent of public instruction.

May Reach 18,000

The petitions were obtained by the Independent Voters' association of North Dakota.

The number of petitions probably will reach 17,000 or 18,000, it was estimated at the office of the secretary of state. The law provides that petitions for the initiation of laws must be filed 90 days before the election, which will be on November 3.

Petitions will be received at the secretary of state's office until tomorrow night, but the petitions received tomorrow, on the 9th day, will be kept aside, as there might be a question raised as to whether or not the petitions received on the 9th day be fore election are valid.

Few in Today

The bulk of the petitions are in. A few came in today. It probably will take several days to count and check the petitions, but there is no doubt but that there are sufficient to assure that the proposed laws will be voted upon. The petitions came from every part of the state.

A vigorous campaign will be waged in behalf of the enactment of the laws.

WRITE ON TICKET

The fusion ticket in the state campaign, headed by J. F. T. O'Connor, of Grand Forks, will have the solid support of all anti-Townley voters, in the opinion of many politicians. The fusion ticket, headed by J. F. T. O'Connor, of Grand Forks, will have the solid support of all anti-Townley voters, in the opinion of many politicians.

PLEAS MADE FOR
PHONE BOOSTS

Hearings on the petitions of more than a score of small telephone companies in the state for increases in rates will be heard by the railroad commission during the latter part of August. Immediate increases in rates are necessary, the telephone companies represent, to pay increases in salary to operators under the minimum wage rules effective Aug. 16 and to meet other increased expenditures. V. E. Smart, of the commission's traffic department, plans to hold two or three hearings a day for a period of two or three weeks.

MANDAN MAN TO
OPEN MINN. BANK

Mr. and Mrs. F. D. Herder left Mandan Monday morning for the Minnesota lake district. They will spend a short vacation there, and will later go to the northern part of the state and establish a bank.

Mr. Herder has been cashier of the Farmers Equity bank in Mandan and has been active in its growth there during the last few years. Many of their Mandan friends have given social affairs in their honor during the last few weeks.

GRAND FORKS
GETS A BOOST

Washington Aug. 3.—The revised census for Grand Forks, N. D., was announced today at 14,010. Previously the figure was 13,350.

The Belgian cotton spinning industry is almost back to pre-war conditions.

SUFFRAGE WORKERS ON JOB

Two suffrage leaders who are in Nashville awaiting the Tennessee State Legislature's special session Aug. 9, to ratify the suffrage amendment—Mrs. James Rector of Columbus, O., and W. D. Jameson, chairman of the National Democratic Finance committee.

WHEAT MAKES
SHARP ADVANCE

Chicago, Aug. 3.—Wheat made a steep advance in price today as a result of increased speculative buying stimulated by European war talk. In a little more than a single hour an extreme upward swing to 75-cents a bushel higher had taken place, march deliveries touching \$2.30 as against \$2.15 yesterday.

BANDITS STEAL
\$20,000; SHOOT
ONE IN FIGHT

Moline, Ill., Aug. 3.—Six armed thugs unmasked entered the Commercial Savings bank at 11 o'clock this morning backed two tellers into a vault and all others into cashiers' offices, swept \$20,000 into sacks and made their escape in a large automobile.

They shot Charles Mohler, a barber, when he ran out of his shop, across the street, to give the alarm. Mohler may die. Police arrived as the bandits were leaving and a battle ensued on the streets. The men finally making their escape.

They headed for Rock Island.

Rock Island, Ill., Via Moline Aug. 3.—Before the Rock Island police could be notified bank robbers dashed through Rock Island heading in the direction of Calasburg along the Maxwell road.

When the Rock Island police station received warning from the Moline authorities that the bandits were headed toward Rock Island the police there rushed to Stearns, a suburb south of town just in time to see the robbers' car speeding away.

The officers cut dashed on pursuing the bandits cars which held the lead in the race toward Calasburg.

CONDUCT TOUR
IN HETTINGER

Mott, Aug. 3.—Three very successful farm tours by autos were held in Hettinger county as arranged by County Agent M. E. Adams and district club leader, Miss Ruth Kellor. Each tour consisted of a 10-mile trip around Mott, Rosent and New Era. The outstanding fields of grain, livestock, farm buildings and shelter belt were visited. Short talks at each stop were made by Edgar Olson, superintendent of the State Demonstration farms. In the Mott tour a 15-piece band accompanied the tour. Canning demonstrations at all were given on each tour.

WOMAN IS HELD
BY POSTAL MAN

Williston, N. D., Aug. 3.—Ella I. McNary, postmistress at Buford, N. D., and her husband, Clyde McNary, were arrested by United States Marshal D. Scott of Fargo on the charge of embezzlement of United States funds to the extent of \$9215. Officer Scott and two federal postal inspectors took the prisoners to Williston.

They waived preliminary examination when arraigned before United States Commissioner S. T. Westhal here and were placed under bond to appear before the federal district court at Minot. Mrs. McNary's bond was set at \$500 and her husband's at \$1000.

TENNESSEE TO
GIVE VOTE TO
WOMEN, BELIEF

Correspondent on Ground Pre-
dicts That Special Session
Will be Called

SUFFRAGISTS ARE BUSY

Organize Through State Work-
ing Up Sentiment for 36th
Ratification

BY GEORGE B. WATERS,
N. E. A. Staff Correspondent

Nashville, Tenn., Aug. 3.—Tennessee will ratify woman suffrage. This is the belief of leading politicians, suffragists, editors and citizens generally.

It means that Tennessee will be the 28th state and simultaneously with ratification 10,000,000 more women in America will become voters, to add their strength to the 17,000,000 who already vote with state suffrage.

Hundreds of telegrams received here by suffragists and officials here show that there is confusion in other states on two things.

ONE: Will there actually be a special session of the Tennessee Legislature?

TWO: When?

Special Session Aug. 9

Although Governor A. H. Roberts cannot actually issue the call for a special session, he will do so Aug. 6, the day after the primary election.

The legislature will convene Aug. 9.

Clear Majority

"We have a clear majority without considering the new members who will occupy 11 vacancies. If there is any fight at all, it will be over factional differences inside the two parties, and not between the Democratic and Republican parties."

Of the 96 members of the lower house, 50 are Republicans and of the 33 senators 7 are Republicans. They see what the Democrats are trying to do for Cox and they are going to try to do the same thing for Warren G. Harding.

Senator Harding has wired "If any of the Republican members ask my opinion as to their course, I would cordially recommend an immediate favorable action."

Governor Cox has wired urging ratification.

ROOSEVELT TO
VISIT DAKOTAS;
MAY SPEAK HERE

Democratic Vice-presidential
Candidate to Make Long
August Tour

WITH THE CANDIDATES

Harding and Cox Stick to Homes
While Engaged in Their
Work

New York, Aug. 3.—The complete itinerary of the western speaking tour of Franklin D. Roosevelt, Democratic vice-presidential candidate, beginning in Chicago, Aug. 11, and ending in Indianapolis Aug. 31, was announced at Democratic headquarters here today. The tour will be made in a special car.

To Speak Daily

Mr. Roosevelt will speak daily, except Sunday. He will be accompanied by two speakers of national reputation, one a "distinguished and forceful woman speaker of the west" whose name has not yet been announced.

The itinerary includes:

Aug. 11—Night first speech at Chicago.

Aug. 12—Noon, at Milwaukee; night Aug. 13—Noon, Minneapolis; night Aug. 14—Some city in South Dakota, to be chosen later.

May Speak Here

Aug. 16—Somewhere in North Dakota, probably Bismarck.

Aug. 17-18.—In Montana, probably three speeches at Billings, Butte and Helena.

Announcement of the itinerary was made by Senator Pat Harrison, of Mississippi, chairman of the speaker's bureau of the national committee.

HARDING PLANS SPEECH

Marion, O., Aug. 3.—Between conference Senator Harding today was completing his second front porch campaign speech which he will deliver tomorrow to a delegation of Wayne county, Ohio Republicans.

COX KEEPS TO SELF

Dayton, O., Aug. 3.—State and personal affairs had precedence today for Governor Cox, following completion of arrangements for next Saturday's ceremonies to notify him formally of his nomination.

No visitors had engagements before the latter part of the week and by that time the governor hopes to have all state and personal business out of the way to devote himself to completion of the Democratic campaign organization and to conferences with Democratic leaders.

WEATHER SURVEY
SHOWS GREATER
JULY RAINFALL

Temperature Was Also Higher
Than the Normal Figure for
July

The monthly survey of weather conditions for July, as compiled by W. Roberts, of the government weather bureau, shows some interesting facts regarding the weather here.

During July 1920 the rainfall was 2.72 inches as compared with 7.0 inches last year. The normal amount for this month is 2.14. This year .58 inches more than the normal amount rain fell.

The average mean temperature was 71 degrees. The hottest day was July 22, when the temperature reached 102. The coolest day was July 13, when only 51 was reached. The average for the month was 3 degrees above normal.

The sunshine for the month was 72 per cent of the possible amount. This is 1 per cent above normal.

On the whole weather conditions for the month were favorable for crops.

HIGH OFFICIAL
OF N. P. DIES
OF PNEUMONIA

St. Paul, Aug. 3.—Charles Alexander Clark, treasurer of the Northern Pacific railroad and one of the best known railway men of the northwest, died at St. Luke's hospital following a short illness. Death was due to pneumonia.

Hope for his recovery was held out by his physician Dr. Archibald MacLaren until shortly before his death Sunday.

Mr. Clark had been connected with the Northern Pacific railroad since 1882 when he went into the auditor's department as a clerk and he had been treasurer since 1897, when he was given the position following the reorganization of the road.

The same year in which he became treasurer of the railroad he was married to Thomas Dean, daughter of William B. Dean of St. Paul. In addition to his wife, he is survived by his sons, Robert and Dean; two daughters, Caroline and Georgia, all of St. Paul and three sisters, Mrs. Anna I. Hempstead of Charlotte, N. C., Mrs. Lydia Clark and Miss Ellen C. Clark of St. Louis.

The Bureau of Fisheries has found a source of glue in the flippers of fur seals.

BELFAST CITY
OF FEAR, SAYS
CORRESPONDENT

Bronner, Writes What He Sees
and Learns in the Irish
Struggle

SEES FIGHTING RESULT.

Expresses Belief That Religious
Trouble is Not at Bottom
of Conflict

BY MILTON BRONNER,
European Manager N. E. A.
(Special Cable).

Belfast, Ireland, Aug. 3.—Belfast today is a City of Fear.

You don't find it if you wander in busy retail shopping agencies or out in pleasant suburbs where dwell the rich mill owners.

But go, as I have gone, into sordid streets where the workers live and you find fear rampant in the heart of every woman, whether Ulster Unionist or Irish Nationalist.

The women never know, when their men leave, whether they will return home safe, be helped in wound ed, or carried in dead.

Fear More Rioting

The recent riots cost a toll of 18 lives and more than 250 wounded. Whole streets of homes are damaged. Hundreds of windows are smashed. Two Catholic churches were attacked. Many places were looted.

At the moment of writing there is a lull in the open warfare, but it may break out again any time.

Meanwhile more than 4000 British troops are quartered in mills, schools, barracks and ships lying in the harbor.

In the streets are sandbag fortifications with gun holes through which the military can fire machine guns. These sandbags are protected by barbed wire entanglements. Armored cars with rifles protruding parade the streets.

Both Sides Suffer

Suspiciously eyed by troops, I wandered out into Bombay street and other scenes of battle while the fighting was still on.

Not a whole window is left in the place. Many Catholic families have moved out. One young woman showed me a whole pocketful of lead bullets she picked up in her front room.

In the Ulster Protestant section I found houses likewise damaged by bricks and other missiles.

The streets of both sections were littered with smashed glass, bricks, bats, bottles and clubs. It was months of alleys in both sections I saw mounds of boulders dug from the streets and piled up ready for use.

Economic at Bottom

The trouble was set off when Protestant workmen in the shipyards drove out Catholic workmen. Fighting between Orangemen and Catholics is an old story here, but my investigations have led me to believe that the present outbreak is something more than political religious.

At the bottom it is economic, I am convinced.

The Ulster workers claim they drove out the Nationalists to make room for jobs for Ulstermen who came back from the war to find their places filled by South Irishmen.

I believe that the employing class, however, is largely responsible that it worked on the religious feelings of both sides with a view to making it impossible for labor to present a solid front.

Ulster shipyards pay good wages but the greatest industry is the linen and here many workers are awestruck. Thousands are out of work as the result of the trouble.

ROSEGLEN NEEDS
CARPENTERS AND
MANY MEN SOON

Bank There Seeks Men to Help
With Harvest and Do Build-
ing Work

J. L. Bell, of the First National bank here, has received a letter from the Roseglenn State bank, in which a request is made for carpenters and from 30 to 50 harvest hands.

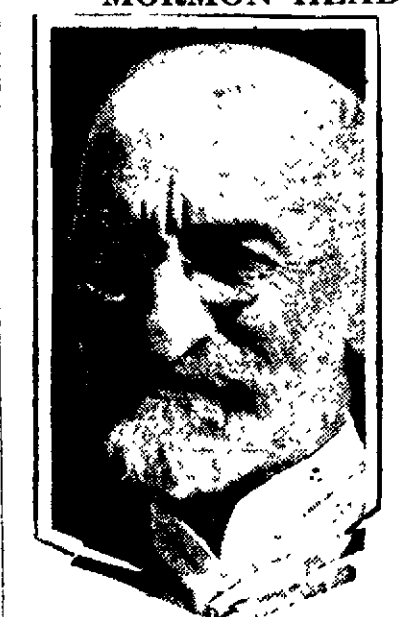

"We have an excellent stand of grain in this locality and will need considerable help during the harvest. We can use about fifteen men at once and from 30 to 50 in about ten days. The regular wages for haying, harvesting and threshing will be paid," writes W. C. Connors, president of the bank.

"We also need a few good carpenters at this time and can pay them \$100 an hour. There is lots of building going on and to be done here mostly granaries and barns, and we are of the opinion that a few carpenters could be kept busy until freezing time.

WERNER WOMAN
DIES ON SUNDAY

Mrs. Almina Hart of Werner, N. D., died at St. Alexius hospital here on Sunday.

She was the wife of Peter Hart of that city and was 54 years old. Her father is James Gorman, of Werner. The body was sent to Werner yesterday afternoon.

LATE PORTRAIT OF
MORMON HEAD

HEBER J. GRANT

This is the latest portrait of Heber J. Grant, new president of the Mormon church. He succeeded Joseph Fielding Smith who died in December, 1919.

BLUE BOOK TO
SHOW CHANGES
IN STATE VOTE

Historical Articles Also Feature
Publication Issued by the
State

N. P. HIGHTIDE IN 1916

The North Dakota "Blue Book," which is being published this year for the first time since 1913, contains the official vote in elections since the Nonpartisan league came into power in the state.

Publishers of the "Blue Book," The Bismarck Tribune Co., will begin making deliveries to the secretary of state the latter part of the week. In addition to valuable statistics, the book contains many historical articles.

The highwater mark of the Nonpartisan league tide in the state was reached in the election of 1916, the official figures show. Governor Lynn J. Frazier received 28,310 more votes in the election of 1916 than in the primary of 1910.

Socialist Party Disappears.

An interesting feature of the compilations is the striking manner in which the Socialist party disappeared in North Dakota as the Nonpartisan league gained in power. In the election of 1914, J. A. Williams, Socialist candidate for Governor, received 6,019 votes.

In the election of 1918 the party candidate received 2,615 votes, and in 1918 the candidate for Governor received but 77 votes. After this the party lost its entity.

The figures also show the great increase in the number of votes cast since the Republican primary of 1914. In that primary L. B. Hanna, candidate for the nomination for Governor, received 26,261 votes, or 57.1 per cent.

L. J. Frazier (R) received 22,195 votes and J. H. Wishek, 12,175 votes, a total of 61,201 votes as compared to 113,296 votes cast in the 1920 Republican primary. In the election of 1914, Mr. Hanna received 44,278 votes to 34,746 for F. O. Hellstrom, Democrat.

Vote in Elections.

The vote since the Republican primary of 1918, for candidates for Governor, follows:

Rep. primary, June 28, 1918—

L. L. Burdick 23,362
J. H. Frazier 9,780
G. J. Smith 2,981

Election, 1916—

L. J. Frazier (R) 87,661
L. H. McArthur (D) 20,441
O. A. Johnson (Soc.) 2,615

Rep. primary, June 26, 1918—

L. J. Frazier 54,382
John Steen 37,682
Election 1916

L. J. Frazier 54,517
S. J. Doyle 36,733

The official vote in the 1920 primary gave Frazier, 59,355; Langer, 53,941, and J. F. T. O'Connor, Democratic nominee for Governor, 7,920.

MINOT DENTIST
BUYS AIRPLANE
FOR PLEASURE

Minot, N. D., Aug. 3.—Dr. and Mrs. N. B. Livingston and son Junior, of the Union Dentist parlors, left this week for the Minnesota lakes, stopping for a few days probably at Yellow Lake, Wisconsin, and from there going on to Duluth where they will place their auto aboard a boat and proceed to Detroit or Cleveland.

During this vacation Dr. Livingston will take a course of training as an air pilot his intention being to obtain his license in time for sailing his airplane, recently ordered from the Curtiss people.

"I am barely possible that the doctor's plane will not arrive in time for use this fall but will be on hand first thing in the spring when Minot people will enjoy the novelty of a professional man maintaining a plane merely for pleasure purposes."

WOMAN NAMED
FOR CAMPAIGN

Chicago Aug. 3.—Miss Ada Eliza, of the Bush of Indianapolis, arrived today to take charge of the woman's Republican campaign throughout the country.

RUSSIANS TURN
BACK MISSION;
ARMY ADVANCES

Warsaw, Capital of Poland, is
Threatened by Onrush of
Bolsheviki Hordes

ASKS PEACE AUTHORITY

Bolsheviki Tell Mission It Will
Not Merely Negotiate an
Armistice

London, Aug. 3.—The Russians occupied Brest-Litovsk—August 1, it is announced in Monday's official statement from Moscow, received today. Further progress of the Soviet troops toward Warsaw is reported in the communique.

(By Associated Press.)

All advices today indicate that the situation in Poland from the Poland allied standpoint is approaching a crisis.

The Polish delegation, which went to Baranovitch, to negotiate an armistice, not only failed to obtain terms from the Russians but was sent back to Warsaw by the Soviet authorities, who demanded that the emissaries obtain a mandate to take up peace negotiations. This will delay even the beginning of the armistice negotiations until tomorrow at the earliest.

Meanwhile the resistance of the Polish army, which apparently had been stiffening, has again relaxed under the tremendous pressure of the Bolsheviki army.

Coincident with the serious military developments that a Soviet government has been set up in the portions of Poland which the Bolsheviki have overrun.

Provisional Soviet Formed

London, Aug. 3.—A provisional Soviet has been formed in the parts of Poland that have been occupied by Soviet groups, according to a wireless message received from Moscow today.

Julian Maskevsky is chairman of the newly formed body, adds the dispatch.

The new Soviet has issued a manifesto to the laborers of Poland exhorting them to rise against this dusky bourgeois land-owner government.

The manifesto declares that a stable peace between Russia and Poland is only possible through Soviets of the workers.

Near Warsaw

Warsaw, Aug. 3.—Brest-Litovsk, the last great fortress guarding the west, has been apparently fallen before a tremendous assault by the Russian Bolsheviki. North of that place Soviet forces have smashed their way forward in their drive westward, to a point only 60 miles east of this city.

Over a front of 120 miles Polish armies are being pounded to pieces before the rush of Bolsheviki hordes, which are being hurried into the battle in a desperate attempt to capture Warsaw before the conclusion of the armistice conference.

Reinforcements everywhere are being hurried to the front by the Russians to complete the defeat of the Poles before hostilities are halted.

An official statement issued last night showed the Soviet armies had reached a line running but 60 miles from the city.

Far to the southeast near Brody, the Bolsheviki have rushed reinforcements into the line, and it is expected a terrific attack will be launched there for the purpose of capturing Lemberg before an armistice is declared.

Want New Meeting

London Aug. 3.—Negotiations for an armistice between Poland and Soviet Russia have been declared off, according to a wireless dispatch received here from Moscow. It says the Polish delegation left Baranovitch for Warsaw on Monday to present to the Polish government the Soviet demand that the Polish delegates be given a mandate for signing, not only an armistice agreement but also a protocol setting forth fundamental conditions of peace.

"Without this," the message declared "it will be impossible to conclude an armistice."

The Polish delegation was empowered merely to arrange for a halting of hostilities. The Soviet delegates proposed that another meeting of the armistice commission be held at Minsk August 4, the dispatch says.

The Polish delegation on August 1 at Baranovitch presented its credentials from the Polish command empowering it to negotiate an armistice. The Russians, however, declared that the original proposal called not only for an armistice but for the opening of peace negotiations and informed the Polish delegates that they must have mandate for signing the fundamental conditions of peace.

WOMAN NAMED
FOR CAMPAIGN

Chicago Aug. 3.—Miss Ada Eliza, of the Bush of Indianapolis, arrived today to take charge of the woman's Republican campaign throughout the country.

"IT'S THE GRANDEST IN THE WORLD TODAY"

Minnesota Man Carries Tanlac Eight Hundred Miles so as Not to be Without It—Feels Like a New Man.

There is no doubt in my mind that Tanlac is the grandest medicine in the world today. Why, I have gained fifteen pounds in weight since I started taking it and am enjoying better health than I have in years, said Robert Kruse, Lancaster, Minn., horse dealer and farmer, while telling of his experience with Tanlac in Boyson's drug store in Cedar Rapids, Iowa, recently.

After six bottles of Tanlac now in my possession, I feel so much better that I have decided to try it myself, and I had taken only a few doses when I began to feel lots better. I have only taken three bottles so far but that has been enough to make me feel just like a different person. I now have a splendid appetite and can eat anything I want and all I want without having a particle of trouble with my stomach. My nerves are in splendid condition and I can sleep all night long without ever waking up, and always get up in the morning feeling simply fine. In fact, I feel as good in every way as I ever remember feeling in my life, and while I believe I am entirely rid of my troubles I am going to take a few more bottles of Tanlac to be absolutely sure they will not return. I never expect to be without it, and I will talk to you all day without being able to tell you what a grand medicine I think it is.

Tanlac is sold in Bismarck by Jos. Brownlow in Oriskany by N. D. and J. H. Barrett in Wing by H. F. Torman, and in Strasburg by Strausburg Drug Co.

PURE BREDS IN DUNN COUNTY

Dickinson, N. D., Aug. 2.—The largest consignment of pure bred cattle ever brought into Dunn county arrived last week when E. J. Schaff brought in 51 head of pure bred Herefords with which to stock up his farm near Emerson. The consignment consisted of 29 head of cows and heifers and 19 calves, all of the Anxiety strain and not only purebreds but the best purebreds that he could find in South Dakota, where the best Herefords in the world are raised.

Mr. Schaff is replacing his grade cattle and will keep nothing but purebreds. He expects to go into the purebred business on an extensive scale and will later on add some more good ones.

RICHARDTON BOY SCOUT ABROAD

Richardton, N. D., Aug. 2.—The people of Richardton feel proud of the fact that one of the Boy Scouts of that town was accorded the honor of attending the International Boy Scout Jamhoree, now being held in England. He is Robert P. Rea, son of Station Agent and Mrs. Rea of Richardton.

John Muggil of Richardton received the following telegram from the New York Boy Scout headquarters this week regarding the expedition:

"Scouts arrived in London Friday night, where they are now encamped. Stood sea trip well only two boys sick during voyage. Enthusiastic over England and reception by British Scouts. Boys made splendid impression in England."

EAST MONTANA GETS OIL CRAZE

Ekalaka, Mont., Aug. 2.—The Ekalaka Eagle was full of oil dope last week, part of the news carried being the announcement that a new well is to be started soon on land about five miles nearer Ekalaka than is the well which is started. The Eagle also stated that about 50,000 acres of land has been bought up in the northwestern

KOSITZKY AND GRONNA URGED TO MAKE RACE

The Spiritwood Lake Gathering
Launches Boom for Them in
Fall Campaign

MISS NIELSON ALSO SPEAKS

Burlington county representatives to the state-wide celebration of the anti-Townley progressive movement, declared that Saturday's gathering at Spiritwood Lake, near Jamestown, was one of the most notable in the history of North Dakota.

Speakers on the right against socialism and Townley autocracy were present from every county in the state. The enthusiastic spirit which prevailed indicates a full realization on the part of the anti-Townleyites of the extent of the victory June 22, which cost the League leaders 12,000 votes on the governorship, many state offices, judge of the supreme court, state superintendent of public instruction and probably control of both branches of the legislature.

Speakers both in informal and formal discussion laid emphasis on the fact that the only thing necessary to secure even a greater victory in the fall was the putting aside of selfish interests and partisanship and all getting together right now—rather than a week or two before the election when it is too late to win anyway—behind a real fusion ticket in a real fusion manner.

Sentiment at the conference was overwhelming that Carl Kositzky, State Auditor, should be placed on the ticket. Following an impassioned speech by Senator A. J. Gronna, in which he declared that the great fight in the state was the defeat of the pseudo-reformers, masquerading as friends of the farmers and that he was ready to give all of his time between now and November to win a complete victory, a resolution was unanimously passed asking all Democratic and Republican organizations to immediately endorse Senator Gronna for the United States senate and that he permit petitions to be circulated to put his name on the ballot.

Most of the prominent Republican and Democratic leaders of the state were present.

Sinnes Talks

Oscar J. Sinnes, of Jamestown, chairman of the Celebration committee, introduced Torger Sinnes of Minnewaukan, chairman of the Republican Victory campaign committee, as the presiding officer of the day. Mr. Sinnes gave an inspiring talk in which he paid high compliment to William Langer, independent candidate for governor, and the other candidates for the great fight they put up despite the tremendous handicaps. The fight must not stop for a single day, he said.

W. H. Stutsman of Mandan, successful independent candidate for Railroad Commissioner, spoke on the initiative laws. Thos. Hall, independent candidate for Senator of Steele, spoke on the campaign in a vivid manner. Judge Pahlia, of Minot, gave a rousing talk explaining the wonderful victories the independents had won.

Miss Minnie J. Nielson, victor by 10,000 votes in the fight for state Superintendent of Public Instruction, when she stepped forward in response to Mr. Sinnes' introduction received a thrilling demonstration which marked the high point in the celebration to this time.

Tells MacDonald Story
Miss Nielson related how Neil MacDonald had charged she didn't know enough to fill the job and how she went to the Attorney General for advice although her friends made fun of her for so doing, asserting it was foolish to expect that William Langer would do anything Townley didn't approve of, and how the Attorney General had looked at her certificates and said that she was qualified.

ALEXANDRA'S EYES INJURED

London.—Queen Alexandra, mother of the king of England, recently suffered an injury to her eyes and is now wearing dark glasses. She was a famous beauty in her youth. With her is Princess Victoria.

fied and that he would fight for her in any court in the nation to protect her rights and how he had kept his word.

O'Connor Speaks
J. F. T. O'Connor, fusion candidate for Governor, was given a big demonstration, both when he arose to speak and when he concluded. Mr. O'Connor challenged Townley to consent to any agreement whereby every North Dakota voter would hear both sides of the campaign issues.

Steen Nelson of Steele county, who was urged at the Minot convention as the candidate for commissioner of agriculture and labor but who was unable to accept the nomination, followed Mr. O'Connor. He gave one of his clever straight from the shoulder conversational talks which were so popular in the campaign. He pleaded for unity and the setting aside of personal considerations because of the importance of the principles involved and in conclusion introduced the resolution endorsing Senator Gronna.

The guests from other counties were much pleased with the wholehearted hospitality of the Jamestown and Stutsman county people in furnishing automobiles to and from Spiritwood, providing the beautiful lunch and in extending many other courtesies.

LIGNITE COAL RATE CHARGES ARE DROPPED

Commission Expert Reports that
Charges Will Not be
Pressed

HEARING HELD IN OMAHA

Railroad freight rates on lignite coal in North Dakota are not attacked by railroads as discriminatory, according to V. E. Smart, expert of the railroad commission, who returned to the city today after attending a railroad rate hearing in Omaha and taking a brief vacation.

In the case in which the Round-up Coal company, of Montana, attacked the rates on Illinois bituminous coal to the northwest as discriminatory as against rates on Montana coal, the railroads had prepared to attack rates on lignite coal from North Dakota mines to points in North and South Dakota and Minnesota as discriminatory. Mr. Smart prepared to file briefs against this contention, and attack it during cross-examination. The railroads then withdrew their plea along this line, although their representatives maintained that they could support their contention with evidence.

The special examiner of the Interstate Commerce commission, which heard the case, will report to the Washington body, and a decision on the Round-up company's claim will be forthcoming in about 90 days.

Officials Gratified

Local officials are gratified that the railroads dropped their charge of discrimination against lignite coal, as lignite may be the main fuel of the state next winter. Shortage of other coal will increase the demand on North Dakota mines.

The rates on lignite coal may be increased if the railroads are granted increases by Interstate Commerce commission and a commensurate increase asked from the North Dakota railroad commission, but it is not expected that the increase will be higher than on other commodities, it may be less.

RATE INCREASE WITH- IN STATES URGED ON STATE COMMISSION

(Continued from Page One)
Southern roads received approximately 14 per cent less than they had requested.

Will Cover Wage Advance.
Increases granted by the commission are designed to offset the \$800,000 wage advance awarded by the railroad labor board and to provide the six per cent net income on the aggregate value of the railroad properties, as permitted under the transportation act. The aggregate value of all of the railroads was estimated by the commission at \$18,900,000,000 against a book value of \$20,040,000,000 given by the carriers.

The 20 per cent increase in passenger fares, excess baggage charges and milk transportation rates and the 50 per cent surcharge on Pullman fares authorized by the commission will be general throughout the country. Freight rate increases will vary according to territory, with 40 per cent in the east; 25 per cent in the south; 35 per cent in the west—that is from the Mississippi river to the Rocky mountains—and 25 per cent in mountain-Pacific territory—from east of the Rockies to the Pacific coast, not including Alaska.

Declines Rates Justified.

The commission in its 36-page decision, made no attempt to compute the amount of increased revenues the carriers would receive by reason of the rate advances. It did say, however, that the increases were justified in view of the rapidly changing conditions as to prices and the necessity for providing adequate transportation facilities during and after the period of readjustment.

From figures submitted to the commission by the carriers when their applications for the increase were

made it was unofficially estimated that the apportionment of the advances would work out at about \$1,285,300,000 on freight; \$233,800,000 on passenger; \$43,600,000 on Pullman; \$4,500,000 on milk and \$1,400,000 excess baggage charges.

On the same calculations, the eastern roads would get the greater part of the total increase, receiving approximately \$735,300,000 as compared with \$559,483,000 for the western lines including those in the mountain-Pacific territory and \$135,298,000 for the southern carriers.

To Make Roads Efficient.

"The increases here authorized," the commission said, "are intended to yield the additional one-half of one per cent of the aggregate value of the roads to make provisions for improvements, betterments and equipments, chargeable to capital account. The record leaves no doubt as to the needs of the country for additional transportation facilities. All carriers participating in the increases will be expected to make appropriations for additional improvements, betterments or equipment of a character chargeable to capital account and to make report to us semi-annually showing what portion of the increased revenues resulting has been devoted to that purpose."

This one-half of one per cent will approximate \$94,000,000. The commission said that the carriers had stated specifically they needed immediately at least 100,000 freight cars, 2,000 locomotives and 3,000 passenger coaches. These are to be paid for out of this fund and out of moneys advanced by the commission and borrowed by the carriers.

Value of Roads.

The commission went at some length into the question of aggregate values of the roads, as well as their financial condition and status.

"We conclude that increases as indicated next below may be made by all steam roads subject to our jurisdiction serving the territory embraced in the groups hereinafter designated.

"1.—All passenger fares and charges may be increased 20 per cent. The term 'passenger fares' may be considered to include standard local and interline fares, excursion, convention and other fares for special occasions; commutation and other multiple form of tickets; extra fares on limited trains; club car charges.

"Excess baggage rates may be increased 20 per cent, provided that where stated as a percentage of or dependent upon passenger fares the increase in the latter will automatically effect the increase in the excess baggage charges.

"2.—A surcharge upon passengers in sleeping and parlor cars may be made amounting to 50 per cent of the charge for space in such cars, such charge to be collected in connection with the charge for space, and to accrue to the rail carriers.

"3.—Milk and cream are usually carried in passenger trains, and the revenue therefrom is not included in freight revenues. Rates on these commodities may be increased 20 per cent."

FEDERAL Double Cable Base Tires

Tires and Rims are Allies

Ordinary tires wage one fight
against the roads and a bigger fight
against the wheel rims.

Federal Tires are part of the wheels
themselves—made so by the Federal
Double-Cable-Base.

Four steel cables grapple tire and
rim to each other inseparably.
Federal Tires do not rim-cut,
break the fabric, pinch the tube, or
blow out just above the rims.

TANK SERVICE IS NOW OPEN

The United States army is in need of 500 men for the Tank Corps, according to the local recruiting office.

Men enlisting in this branch of service will have the choice of five different camps: Camp Taylor, Kentucky; Camp Benning, Georgia; Camp Funston, Kansas; Camp Grant, Illinois; or Camp Mead, Maryland.

The Tank Corps maintains schools at these camps and those who enlist will have a chance to become skilled tractor mechanics.

Complete information may be ob-

tained at the U. S. Recruiting Office in the Bismarck building.

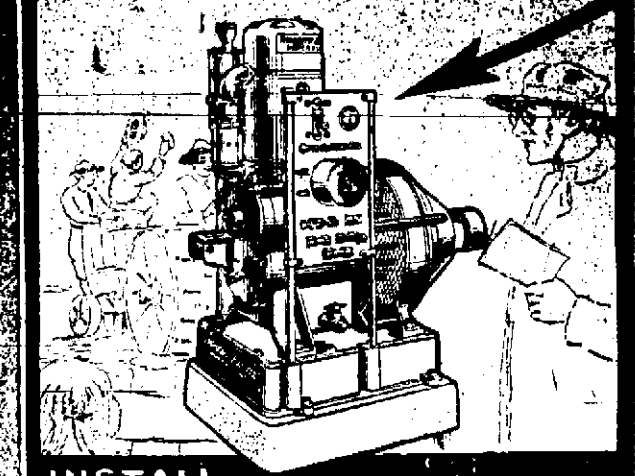

PRISONERS WILL HAVE TO BEAT IT

Akron, Aug. 2.—Tough luck for law offenders, but Akron may soon have to refuse admittance to prisoners. There are now 173 confined in a jail that was built to hold 65.

British experts have invented a cold vulcanizing process which will make possible manufacture of many rubber lines in which hot vulcanizing was im-

COUNTY SEWING CLUBS WORK IS ABOUT COVERED

Course of Work is Nearly Over—Exhibits to Follow in Fall

The sewing club work of the various Boys and Girls clubs throughout Burleigh county is nearly completed. A small amount of work covering darning and patching remains to be done yet.

This club work is under the direction of the extension department of the State Department of Agriculture, in each county the work is being carried on by the Home Demonstration Agents, in Burleigh county by Miss Elsie Stark.

In the Apple Creek club the work was carried on under the immediate oversight of Mrs. Arthur Knudsen. In Menoken the work was done under Mrs. Holmes, while in Wing, Mrs. G. Olefson had charge of it.

The local leaders are to a large degree responsible for the excellent results obtained in the work. Only through their interest and spirit was the continuance of the work possible. In the fall an exhibition of the work done by the different sewing clubs will be held in each county.

At the county displays the four best exhibits will be selected for exhibition at the Missouri State fair. The winner of the competition there will be given a free trip to the Fargo meeting in January.

Miss Stark is highly complimented in reports received by the state department and those in the field consider her one of the best and most successful demonstration agents in the work.

CITY NEWS

Wing Man Here.
Ed Rowe, of Wing, was in the city on business yesterday.

Returns Home.
Miss Marie Helgeson returned to her home in Dunn Center Monday after a ten day visit with friends here.

Auditor Here.
V. J. Hunter, traveling auditor for the Soo lines, was in Bismarck yesterday and went over the records of the local Soo office.

East on Buying Trip.
Phil Webb, of the Webb Brothers drygoods firm, has gone east on a purchasing trip for the firm. He will be gone until sometime next month looking over the latest dry goods offerings.

Visits Here.
Mrs. C. E. McCreary, of Washington, D. C., is visiting friends in the city. Mrs. McCreary is a pioneer resident of Bismarck, leaving this city in 1882.

Return from Florida.
Theodore Koffel and George H. Paul have returned from a business trip to Florida, during which they visited Pensacola and several other cities. Ferdinand Leutz, of Hebron, who went with them, remained in Florida to complete business matters.

Attended Conference.
Last week Miss Elsie Stark, home demonstration agent, attended a conference at the state agriculture college at Fargo. Miss Grace E. Fry, sealer, of the state relation bureau of the department of agriculture, who has charge of 13 woman agents.

MILLINERS AGAINST FAD FOR UNSEASONABLE HATS

BY CORA MOORE.

New York's Fashion Authority.

New York, Aug. 3. With summer revels at their maddest and merriest, New York has been wearing fall hats for weeks. From the first of July, it has been practically impossible to buy a fresh-looking summer straw.

The members of the Millinery association seem to be divided among themselves on the question, and not just quite sure, whether, in the long run, it is an advantage or a disadvantage to their trade to have the dear women overlapping the seasons in the matter of hats. One of the members advocates that all summer hats should be bought between June

21 and Sept. 21, and winter hats between Dec. 21 and March 21.

All the buyers are back from Europe now and here is what they learned about hats. Small hats and medium ones with the turn-up across the face are models still in the running, and those with brims that slope down all around and then have a narrow straight edge in addition are especially favored, as noted the two May Smith hats illustrated.

It's the material that is going to court most this fall in hats, and in these there is a tendency to reproduce the skins of animals. After that, there are embroideries in strange patterns and ornaments of old device, many of which appear symbolic.

throughout the northwest, discussed their work here and similar work in other states with the demonstration agents.

Leaves for Visit.
Miss Gertrude Smith left yesterday for Minot to visit her cousin, Mrs. Otto Wannagat.

Baby Girl.
A baby girl was born to Mr. and Mrs. A. E. Schwede of May at St. Alexius hospital this morning.

License Issued.
A marriage license has been issued to George Samuel Scott of St. Xavier, Mont., and Miss Myrtle Daisy Eaton, of Bismarck.

Visiting Here.
Miss Vera Alenworth, of Britton is visiting here for a few days. She is the guest of Mrs. Mildred Alenworth, 401 Thayer street.

On Visit.
Miss Cora Suckow, of the Bismarck hospital, is on her vacation. She will visit friends and relatives at a number of points in Montana.

Leave for Lakes.
The Misses Dorothy, Schaefer, Catherine McDonald, Frances and Florence Peterson left this morning for Minneapolis to spend their vacation at the lakes.

California Visitors.
M. L. Knudsen, of San Diego, Cal., is visiting his brothers, George, Fred and Arthur Knudsen. His daughter, Yvonne, accompanied him to the city and will teach in the grade school of the city the coming year.

Grand Forks Visitor Here.
Mrs. Ella M. Vale, of Grand Forks, formerly a resident of Bismarck is spending a few days here as the guest of Mrs. Charles Staley, 611 Sixth street. Mrs. Vale is on a trip through the west.

Wilson Man Here.
W. J. Emery, of Wilson township, was in the city yesterday. He is treasurer of the school district in Wilson township and was here on business connected with the school. He was accompanied by his daughter.

At Druggists Meet.
Dr. F. R. Smith, of the public health service, left this morning for Grand Forks, where he will attend the annual convention of the North Dakota druggists association. Dr. Smith will speak on the state laws of the state and their relation to the drug trade.

ing Miss Genie Locker goes to her home at Richardson. Miss Carlson will spend her vacation in Plaster. Miss Agnes Brown will spend her vacation at her home in Bismarck.

Leave on Motor Trip.
Mr. and Mrs. J. Huyck left today on a motor trip to southern Minnesota.

Underwood Woman Here.
Mrs. R. G. Anderson, of Underwood, was in the city on business yesterday. Mrs. Anderson is proprietor of the hotel at Underwood.

Visit in Minnesota.
Mrs. Dan R. Middleman and her mother, Mrs. E. G. Bethon, have left for Fergus Falls, Minn., to visit Mrs. Bethon's daughter there.

Found Drunk.
A man giving his name as L. Goole, of Underwood, was picked up by the local police yesterday, charged with being drunk. He failed to appear for a hearing this morning and forfeited his cash bail.

Settling Estate.
John and Martin Reddy, and Miss Carey Reddy, of Duluth, and Miss Reddy's sister, Miss Lang, were in the city yesterday on business connected with the settlement of their fathers estate.

Former Resident Dies.
Word has been received here of the death of George A. Renner, of Seattle, on August 1. Mr. Renner's death followed Bright's disease. He lived in Bismarck for about 25 years and many people here will remember him.

Party Postponed.
Owing to a unusual amount of sickness the children's party which was to have been held at the Country club on August 7, has been postponed until a later date. A great deal of interest in golf has been shown by the young members of the club and for that reason a tournament, with prizes and awards, has been arranged for Saturday morning, August 7. Those under sixteen may qualify and by notifying Mrs. F. O. Hall, 445 K, may obtain the necessary information.

Hospital News.
Mrs. C. Mutschelknaus, of Mott; Mrs. N. J. Walker, of Aramoose, Alima Person, Mandan; Clarence Danson, of Wilton, and Alma Zieggenhagel of Laehr, have been admitted to the Bismarck hospital.

Lea Schultz, of Rosebud, S. D.; and Alene Matheson, 401 Thayer street, have been discharged from the Bismarck hospital. Master Sidney Brewlow, of Bismarck; Mrs. Mary Gunderson, of Bismarck; Elmer Hill, of Steele, Mrs. Theo. Zeller, of Hill; Henry Mooney, of Watonga, S. D.; and William G. Roylance, 322 Seventh street have been admitted to St. Alexius hospital.

Miss Alice Anderson, of Leith, and Peter Lang, of Cedar, have been discharged from St. Alexius hospital.

BARS REPORTED FROM RECORDS; DRAWS A FINE

Cleveland, Ohio, Aug. 3.—Police Chief Frank W. Smith was found guilty of contempt of court and fined \$100 by Judge Levine in Common Pleas court today. Judge Levine held him guilty of failing to observe the court's injunction to open all police records to reporters for The Cleveland News.

Enforcement of the fine was withheld until the case is finally disposed of.

The charges of contempt against

NOT THE ONLY ONE

There Are Other Bismarck People Similarly Situated.

Can there be any stronger proof offered than the evidence of Bismarck residents? After you have read the following, quietly answer the question.

Chas. L. Pearce, farmer, 320 2nd St., Bismarck, says, "I have used Doan's Kidney Pills on different occasions when suffering from disordered kidneys and they have always done me good. I have followed the stone mason's trade and it is mighty hard on the kidneys. For a time I was so lame I could hardly stoop down to get a bucket of water. I knew my kidneys required attention so got a box of Doan's Kidney Pills at Coward's Drug Store and used them until my trouble disappeared entirely. Whenever I have needed Doan's since they have always brought the same good results. I have frequently recommended Doan's Kidney Pills."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Pearce had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

CUDAHYS ACT IN MOVIES

LOS ANGELES. Just for the fun of it, Ann and Michael Cudahy, youngest sons of the Cudahy family of Kansas City packers, are playing with Monroe Salisbury in "The Barbarian." They're doing so well that Salisbury is trying to get them for other movies.

New August VICTOR Records That You Should Have For Your

VICTROLA

Dance Records

18675—(All Star—Onestep) All Star Trio
(Hy'n Dri—Fox Trot) All Star Trio

The All Star Trio is keeping up its batting average this month with two more hits. "All Star" is a light headed, rattling, but always sure-footed one-step of the kind the trio most delights in. "Hy'n Dri" is a cheerfully doddering, jay hawk sort of fox-trot—a perfect "honey" to dance to.

18678—(Love Nest—Medley Fox Trot) Joseph C. Smith's Orch.
(A Young Man's Fancy—Fox Trot) Joseph C. Smith's Orch.

As for "Love Nest," ask anybody. Smith's Orchestra makes a lovely dance of it. "A Young Man's Fancy" will be every girl's fancy, too. The country will soon be dancing to this record—to one side or the other of it.

Popular Songs

18677—(Tiddle-Dee-Winks) Billy Murray
(I Love the Land of Old Black Joe) Billy Murray

"Tiddle-Dee-Winks" is in the same set with "Oh, By Jingo" and she bids fair to rival that lady as the "favorite nut" of the public that likes a little fun in its music. THE song is a scream—stark, irresistible, human nonsense. "I Love the Land of Old Black Joe" is a spirited number with some fine harmonies.

18676—(The Love Nest) John Steel
(Blue Diamonds) John Steel

"Love Nest" is the hit of the musical comedy, "Mary," which was pretty much the hit of the comic opera season. Heads are going to rock and hearts are going to beat faster wherever it is heard. Henry Burr has a lovely counterpart in "Blue Diamonds."

35697—(Gems from "Apple Blossoms") Victor Light Opera Company
(Gems from "Irene") Victor Light Opera Company

Favorite numbers from two successful musical comedies. The Gems from "Apple Blossoms" include "The Second Violin," "You are Free," "When the Wedding Bells are Ringing," "Brothers," "Star of Love," and "Little Girls, Good-bye." Those from "Irene" are "The Last Part of Ev'ry Party," "Alice Blue Gown," "Castle of Dreams" and "Irene."

EVENTS AND GOSSIP FOR THE FANS

GET BUSY FANS, YOU'RE NEEDED IN ROOTERS ROW

Chance to Display Your Lung Power in Biggest Games Thus Far in Season

SEIBERT IN THE FIELD

How about a little organized rooting Thursday and Friday evenings fans?

There's been a little section of rooters over in the left side of the grand stand nearly every big game, but there hasn't been enough of them.

The fastest baseball of the season ought to spread out for the fans. Both teams ought to be at their best and on their toes. Bismarck has some road to travel in the games if the team wins the two the score will stand three to three with Valley City, with the rubber sure to be played off.

The great Charley Boardman, who is slated to pitch one of the games for Valley City, doesn't strike fear into the hearts of the batters. Boardman has been pitching good ball, but he was treated roughly Sunday in a game between Hankinson and Wahpeton, and the local club is out to do the same here.

Seibert in the Field

A game which had been arranged with Stanton has been called off and the local team will spend today and tomorrow conditioning for the series. Seibert probably will be in the field for Bismarck. His stick ought to come in mighty handy in the two days. Cunningham, Wilton pitcher, may be in one of the games, and Capt. Liden has Al Anderson and Needham ready for the fray. Al Anderson has credit for the only win over Valley City and he's been pitching splendid ball. Cunningham and Catcher Miller Anderson performed together in the Northern league.

Chicken on Deck
Chicken can step in the box if needed, though he'd be missed on second. He formerly was a star pitcher in the Northern league.

The proposed series of the club with Mandan still is hanging fire, with a good chance of it being arranged during the week.

STEEL TEAM GOING STRONG

Medina, N. D., Aug. 3—Steel continued her winning streak here, winning 10 to 0. The Steel team has won 15 games, lost five and tied one this season. The score by innings: Steel 120 304 001—10 7 2; Medina 000 014 000—5 6 2. Batteries: Epstein and Fairchild for Steel; Adams and Bauer for Medina.

Struck out by Epstein, 14; Adams 6. Base on balls, Epstein, 3; Adams 2.

VETERAN GEERS PILOTS WINNER

Toledo, Aug. 3—Peter Juno, driven by the veteran, Edward Geers, won the Elks Club 200 yard race for a purse of \$5.00 in the feature event of the opening day of the Grand Circuit meeting here yesterday afternoon. Brunton was driven to the front in the opening heat by Tommy Murphy, but Peter Juno the favorite, came on and won the next two heats and the race.

FARGO WINS

The Fargo athletics defeated the Moorhead independents Sunday, 7 to 3. Hurley, who was with Bismarck and whose home is in Fargo, is said to have joined the team there.

Nearly 7,000 foreign firms are now doing business in China.

Tobacco and Snuff frequently causes an early death.

NEWSPAPER ARCHIVE

LEARNING TO SMASH "MASHERS"

Newark, N. J.—To teach their women employees the girlish art of self-defense, a Newark department store has hired Charles Werner, professional boxer. The store believes that a little knowledge of the business of plugging a "masher" will reduce "mashing." Werner's pupil, shown with him in the photograph, seems to have profited much by his instruction.
